Designed to satisfy, astonish and innovate, **DIVINE CREAZIONI®** is a small masterpiece of fresh pasta made of knowledge, culture and love for things done by the book; an excellence dedicated to Fine Dining and in which not only the flavours, but also the shapes, textures and fragrances contribute to restoring a true sense of exclusivity and sophistication.

DIVINE CREAZIONI®: NEVER EQUALLED

It is a defect that makes **DIVINE CREAZIONI®** unrivalled pasta: in its unprecedented shapes inspired by tradition, each piece is different from the next, a characteristic of all hand-made products. This makes **DIVINE CREAZIONI®** a unique product in its kind.

Refined fillings made with ingredients chosen from the best Italian PDOs, based on original and sophisticated combinations. Nothing is overlooked: from the dough (eight eggs per kilo of semolina) in perfect balance with the filling, to the packaging in trays to prevent the most fragile parts from breaking.

DIVINE CREAZIONI®: THE STAR ATTRACTION

Very little needs to be added to **DIVINE CREAZIONI®** to obtain a sophisticated dish capable of giving customers a unique taste experience.

The generous amount of filling, together with the soft, golden dough, makes our pasta perfect for the most sophisticated sauces, as well as the simplest and most delicate ones.

Bauletti®, Panciotti® e Scrigni®

BAULETTI®

SCRIGNI®

PANCIOTTI®

THREE EXCLUSIVE AND INCOMPARABLE SHAPES

Bauletti®, Panciotti® e Scrigni®: are the three exclusive **DIVINE CREAZIONI®** shapes, always inspired by traditional shapes, but evolved to be even more surprising and tasty. The wavy edge of Bauletti® and Scrigni® pays homage to pasta cut using a zigzag pasta cutter and alludes to the most traditional shapes of fresh filled pasta.

The two-sheet closure of Panciotti® reproduces the cut made using a ring mould, which is inspired by a more experimental current.

Three different shapes that have one thing in common: the fact that they can accommodate a more generous filling without compromising the perfect balance between dough and filling, a typical feature of **DIVINE CREAZIONI®**.
